Much of our strength as Orthodox Christians comes from being connected with other members of our Christian community, being "part of the Body," as Apostle Paul said in his letter to the Corinthians, not being "apart" from the body. This is not just for the sake of the faith community, but also for the sake of the individual. If you have yet to become a member of St. Sava Serbian Orthodox Cathedral congregation, we warmly invite you to join. You will find strength and love in being among others who share your beliefs and devotion to our Holy Orthodox Faith. Join us!
